

Home Learning Expectations

Friday 10th November 2023

Dear Parents and carers,

Thank you for taking the time to complete the Home Learning survey that was sent out last half term. Congratulations to Tori's mum in Year 5, who was the winner of our £20.00 Amazon Voucher from taking part in the survey.

As a result of feedback from our parent forum and discussions with staff, Home Learning will be handed out in a folder on Fridays, to be returned by the following Friday. Teachers will spend time in class reviewing the Home Learning and marking the children's work as a class. The children will then gain rewards for the effort they have put into their Home Learning.

Participation in Home Learning is optional, but we would encourage all children to take part. The Home Learning will align with the week's lessons and aims to strengthen children's understanding.

Our minimum expectations of **all** children are:

- To read out loud to an adult 3 times a week - recording the name of the book and pages read in their communication book
- Learning a list of words (spellings) to be tested, the following week.

Year Group	Home Learning
Reception	<ul style="list-style-type: none">● 'Phonics Hunt' - What can you find with this week's phonics? (<i>from the weekly newsletter</i>)● Counting practical tasks● Writing and number formation worksheet● Life skills challenge (currently zipping up coats)
Year 1	<ul style="list-style-type: none">● Maths work relating to the week's learning - practical or written.● Handwriting tasks linked to weekly phonics
Year 2	<ul style="list-style-type: none">● Maths work relating to the week's learning● Handwriting tasks linked to weekly spellings
Year 3	<ul style="list-style-type: none">● Maths work relating to the week's learning● Times tables - multiplication and division facts● Handwriting tasks linked to weekly spellings

Bandon Hill Primary School
Sandy Lane South,
South Wallington, Surrey, SM6 9QU
Telephone: 020 8647 5377
Email: office@bandonhillprimary.co.uk
www.bandonhill.sutton.sch.uk
Headteacher: Mr R Hopkins MEd NPQH

Year 4	<ul style="list-style-type: none">● Maths work relating to the week's learning● Times tables - multiplication and division facts in preparation for the Yr 4 Multiplication Tables Checking Exercise (MTC) in June 2024● Handwriting tasks linked to weekly spellings
Year 5	<ul style="list-style-type: none">● Times Tables - multiplication and division facts● Handwriting tasks linked to weekly spellings● Maths based on the week's learning.
Year 6	<ul style="list-style-type: none">● Handwriting tasks linked to weekly spellings● Reading comprehension● Grammar work● Maths based on the week's learning.

Home learning will commence this week but unfortunately may not come home in folders, as we are still waiting for them to arrive. When they do arrive, they will look like the picture to the right. We will have spares just in case any children misplace their folders during the term.

Team points will be awarded to children for every piece of home learning completed to the best of their ability.

Furthermore, should you encounter any challenges or require further clarification on any pieces of home learning, please do not hesitate to contact the respective class teacher.

Thank you for your continued support and collaboration in nurturing our children's educational journey. Home Learning is not only beneficial for revising content, but it also prepares the children for secondary school where there will be a greater emphasis on Home Learning every night of the week.

Warm regards,

Mrs Harris
Core Curriculum Lead
Parent Partnership Lead
