Year 1-6 Information Meetings - Monday 2nd September

Dear Parent and Carers,

We hope you are all having an amazing summer and are making the most of the lovely weather.

As mentioned in our end of year letter, we are opening our doors at the beginning of this academic year for parents and carers to hear what our children will be learning about this coming year. It will also be a chance to familiarise yourself with key information about the school.

These sessions will take place on Monday 2nd September at 3.30pm in your child's classroom. There will be a short presentation from our teachers and also an opportunity to ask questions.

Please collect your children from the playground as usual. Once all of our children have been dismissed, teachers will then lead parents, carers and children who are attending through to the classroom. Upon exiting, please leave through the school playground and past the Meadow.

Members of the leadership team will be on the school playground gate, rather than the main office. Children attending our clubs and Sunset Stars (our wrap around provision) will leave as usual through the main office.

The information meetings will begin at approximately 3.30pm and finish around 4.00pm, depending on the number of questions asked at the end of the session. Teachers will be available to answer questions relating to individual children after the session has concluded.

We will upload the individual year group slides to the school website the following day, for parents and carers who are not able to attend the meetings.

We believe the meetings will provide another opportunity for communication and help parents and teachers become familiar with each other at the beginning of this school year.

Kind regards,

Mr Hopkins
Headteacher
