RSE Lessons

Tuesday 17th September 2024

Dear Parents and Carers,

This year your child's class teacher will be teaching RSE in PSHE lessons. The resources for our PSHE lessons are from 'Kapow Primary', the RSE module is called 'Safety and the changing body'. These lessons are compulsory and cannot be withdrawn from.

The law was changed with effect from September 2020 so that primary schools in England must teach relationships education and health education (*The Children and Social Work Act 2017*).

- The relationships education part of the new curriculum teaches what children need to learn to build positive and safe relationships with family and friends and online.
- The health education part of the new curriculum covers both physical health and mental wellbeing and teaches children how to make good decisions about their own health and wellbeing; how to recognise issues in themselves and in others; and how to seek support as early as possible when issues arise.
